**Question**

***Teach Next***

According to the budget papers, Teach Next is a new employment-based pathway into teaching – but it is scheduled to wind up in 2015. Why? Has there been an evaluation of the program? Please provide details.

**Answer**

Teach Next was announced in the 2011–12 Federal Budget, with a budget appropriation that concludes in 2014–15.

As the first intake to the program is in its first year of the pathway in 2012, a formal evaluation has not yet been conducted.
