

Senate Foreign Affairs, Defence and Trade Legislation Committee
Senate Budget Estimates, June 2011
Questions on Notice: AusAID

Question No. 14

Senator Boswell asked in writing

Please provide a comprehensive list of all projects approved for funding in 2011-12 that have family planning components. Please provide details including funding amounts for the family planning component for each project. Please specify if the family planning component for a project includes abortion services or training?

Answer:

Projects with major family planning components that have been approved for funding in 2011-12 are listed below¹. The list includes core funding for global organisations where family planning is a major part of their mandate. Abortion services and training are specified where applicable.
