Additional Estimates Hearing – February 2008

Question: F60

Outcome General, Output General

Topic: Software changes for payslips

Hansard Page: F&PA 82

Senator Fifield asked:

Have there been any software changes that might be required for things like generating pay slips with different titles on the top?

Answer:

Software modifications to reflect the change in the Department's name have been required for departmental websites and payslips. Software modifications to other functions such as invoices, remittance advices and similar documentation are planned, but have not yet been undertaken.
