Dear Mr Palethorpe

I am writing to correct evidence I gave at the Standing Committee on Finance and Public Administration in the Human Services hearing on Friday 22 February 2008.

I gave evidence that Centrelink has "fixed infrastructure with over 400 offices". I would like to correct that number of offices to over 300 offices. The evidence is recorded in Hansard on page 63, beginning at the second line of the first paragraph.

Yours sincerely
