Topic: Performance benchmarks for Ministers

Hansard Page: F&PA 85

Senator Fielding asked: Senator FIELDING - Will these performance benchmarks be made public?

Senator Chris Evans - Yes, I said I would take that on notice.

Answer: The Government will make available to the public a broad range of information regarding the implementation of its election commitments and other key priorities. In February 2008 the Prime Minister released the document "First 100 Days: Achievements of the Rudd Government" which detailed progress on implementing the Government's election commitments. The "First 100 Days" document can be accessed at the Prime Minister's website www.pm.gov.au.
