

# Senate Finance and Public Administration Legislation Committee —Additional Estimates Hearing—February 2012

## Answers to Questions on Notice

### Parliamentary departments, Department of Parliamentary Services

Topic: CCTV security cameras

Question: 57

Hansard reference F&PA p.27, 13 February 2012

**Date set by the committee for the return of answer: 30 March 2012**

**Senator RONALDSON:** What is the cost of the new technology boxes?

**Mr Kenny:** I do not know at the moment what the budget is estimated at. I can take that on notice.

**Senator RONALDSON:** You do not know what the cost of that is going to be?

**Mr Kenny:** I do not have that figure with me. I will take that on notice.

### Answer

The new technology boxes are the new generation network switches. The switches associated directly with the CCTV camera system are estimated to cost \$200K for purchase and installation. The network switches will be installed as part of the ICT Network replacement program.
