Finance Portfolio

Department/Agency: Department of Finance

Outcome/Program: 1/1.1

Topic: Procurement

Senator: Wong

Question reference number: F33

Type of question: Hansard, F&PA Committee, Page 71, 25 February 2014

Date set by the committee for the return of answer: Friday, 11 April 2014

Number of pages: 1

Question:

Senator WONG: I was out of the room, Mr Tune, but I think in an answer to a question from Senator McKenzie you indicated an intention to increase the contract value for publication on AusTender; is that correct?

Mr Tune: Yes, I did, I think.

Senator WONG: From \$10,000 to \$20,000?

Mr Tune: Yes, that is right.

Senator WONG: Has that commenced?

Mr Tune: Mr Sheridan can help us.

Mr Sheridan: No, Senator, it hasn't yet. We are working through that decision at the moment and, if it is agreed, we would intend to do that from 1 July this year.

Senator WONG: Okay. Can you on notice, then, provide to me all contracts between \$10,000—is \$10,000 the current threshold?

Mr Sheridan: It is.

Answer:

Details of all contracts valued from \$10,000 and up to \$20,000 reported on AusTender in 2012-13 are contained in the attached spreadsheet.
