2. From 7 September 2013, detail travel for Departmental officers. Please include a total cost plus a breakdown that include airfares (and type of airfare), accommodation, meals and other travel expenses (such as incidentals). Also provide a reason and brief explanation for the travel.
3. What travel is planned for the rest of this calendar year? Also provide a reason and brief explanation for the travel.

Answer:

1. N/A
2. A small number of Office employees travel to support the Governor-General's official program. The vast majority of travel is accompanying the Governor-General on RAAF Special Purpose Aircraft, details of which are published in Parliament every six months. There is also occasional domestic travel, mostly to Sydney by road or air, to support official events at Admiralty House. Total travel costs for the Office as well as details of all overseas travel are published in the Office's Annual Report. All details of the Governor-General's domestic program are published on the Office's website at www.gg.gov.au. There is only occasional official travel by employees that does not relate to the Governor-General's official program. Itemised trip expenditure for each staff member is not readily available. It would be considered an unreasonable diversion of resources to compile such information.
