

PM43 Supplement
The Office of the Inspector-General of Intelligence and Security

As discussed, the office would like to supplement QoN PM43 answered on 16 June 2006.

On 16 June 2006, the office reported year to date external legal expenditure for the period 1 June 2005 to 16 June 2006 as \$27,381 (GST exclusive). This amount was reported on an accrual basis rather than a cash basis and therefore did not take into account a legal invoice relating to the 2004-05 financial year that was paid in 2005-06.

The final legal expenditure recorded by the office in 2005-06 was \$40,006 (GST inclusive).
