**Senator Fifield asked: -In an answer to a question on notice, it was advised that 'Discussions will be focussed on the same ten priority themes as the Australia 2020 Summit and the outcomes will be fed into the deliberations of the Australia 2020 participants.' How were the outcomes fed into the Australia 2020 Summit?**

**Answer:** The Summit co-convenors, the Prime Minister and Professor Glyn Davis, along with 11 of the community and ministerial co-chairs attended the Jewish Summit on 14 April 2008. Minutes of the discussions at the Jewish Summit were taken, and the record provided all of the Summit Co-chairs, including those who were unable to personally attend.
