Department of the Prime Minister and Cabinet

Budget Estimates Hearing 26 May - 27 May 2008

**Question: PM23** 

Outcome 1, Output 5.1

Topic: Charter meeting - Senator Faulkner and Prime Minister

Hansard Page: F&PA 123

Senator Abetz asked: -All right. Can we have an accurate time of that, because I am sure that meetings in the Prime Minister's office would be recorded in relation to when they commenced and when they finished?

Senator Faulkner-If it is of any interest to you, I will try and provide for you the time in which I had diarised the meeting.

Senator ABETZ-No, not what you had diarised, possibly in anticipation. I am not interested in that. I am interested in the actual time in the Prime Minister's office discussing your charter. Can you ask the Prime Minister's office.

Senator Faulkner-If I am able to provide any further information to you in relation to my own meeting with the Prime Minister, I will.

Answer: Over January and early February 2008, the Prime Minister conducted a series of meetings with each senior portfolio Minister and the Cabinet Secretary. An indication of the dates scheduled for each meeting is as follows. It is our understanding that some meetings were rescheduled depending on the Prime Minister's and Ministers' diaries or held over more than one occasion. The meetings were generally scheduled to take between one and half and two hours, but their length varied considerably, depending on the matters the Prime Minister or Ministers wanted to discuss.
