ANSWER TO WRITTEN QUESTION ON NOTICE

Budget Estimates Hearing – May 2009

Department of Finance and Deregulation

Finance and Deregulation Portfolio

Outcome 2, Program 2.1

Topic: Australian Government Domain Administration

Question reference number: F63

Type of Question: Written

Date set by the committee for the return of answer: 10 July 2009

Number of Pages: 1

Senator RYAN asked:

- (a) How many '.gov.au' domain names at the Australian Government level (eg example.gov.au) have been registered since 3 December 2007?
- (b) What is the domain name for each, and to which Department or Agency does each belong?
- (c) What has been the cost associated with each domain Name registration?
- (d) How many hits has each site received since 3 December 2007?
- (e) What is the cost of hosting these domains and how are these costs met?

Answer:

- (a) 121 domain names at the Australian Government level have been registered since 3 December 2007, including 14 registered by state and territory government agencies for cross-jurisdictional purposes.
- (b) A list of domain names and the Registrant (Organisation Name) is at [Attachment A](#).
- (c) A fee of \$62.00 for a two year licence is payable on the registration of a domain name.
- (d) Finance is not responsible for the management of these individual agency websites or monitoring hits that the websites receive.
- (e) A fee of \$62.00 for a two year licence is payable by the Registrant (the government organisation applying for the domain) on the registration of a domain name. No further costs are incurred to maintain the registration of a domain until the licence expires and the domain name is due for renewal.
