**Question:**

On AusTender there is a handful of contracts where taxi services, or what are described as COMCAR service fees, transport services and COMCAR hire are being provided. I can give you the notes if you like. They are provided to the Australian Crime Commission, the ATO, the APSC and the NHMRC. Three are for \$10,000 and one is for \$30,000. Does COMCAR do tender work for others?

**Answer:**

No. COMCAR does not tender for work. Any reference on AusTender in respect to COMCAR as a supplier to entitled clients has been gazetted by the relevant Department or Agency and will reflect their estimate or actual expenditure in line with Commonwealth Procurement Rules. COMCAR is not consulted in respect to the gazettal of these procurements.
