Question:

Senator SINODINOS: This partially follows up on a question by Senator Cormann. Regarding Commonwealth government securities, did you say you have only a small allocation in your portfolio? Is that right?

Mr Neal: I would have to take it on notice to give you the precise number, but it is very small in the context of the Future Fund and small in the context of the nation-building funds. It could be zero in the Future Fund.

Please refer to Question F40.
