Question:

How much did each department/agency spend on taxis this financial year to date? Provide a breakdown for each business group in each department/agency.

What are the reasons for taxi costs?

Answer:

In this financial year to date (as at 31 May 2013), OIGIS spent \$1,814.76 on taxi use.

Note: This figure is GST inclusive and has not been broken down to business group due to the size of the agency.

OIGIS uses taxis when the corporate leased car is unavailable or its use is impractical, eg on interstate travel or where parking is unavailable at the destination.
