Answer:

In 2007 OIGIS purchased one Jura Impressa C5 coffee machine from Cosmorex at a cost of \$1,595.00 from general funds (Appropriation 1).

Staff meet the ongoing costs for coffee supplies for use in the machine. OIGIS spent \$108.00 in 2010-11 to purchase coffee supplies for official visitors.

In this financial year to date (as at 31 January 2013), OIGIS spent \$472.81 on machine repairs. These costs have been met from general funds.

The coffee machine was purchased to reduce the time taken by staff in leaving the workplace to queue to purchase coffee and to provide coffee to official visitors. As the OIGIS coffee machine was purchased in 2007 it is difficult to say whether there has been a noticeable productivity increase since the purchase.

The OIGIS coffee club is open to all staff, and those who contribute to the costs of coffee and supplies through the club can use the coffee machine. The machine is also used to provide coffee to official visitors.

OIGIS does not rent any coffee machines.
