Answer:

1. 2010-11

Total cost of flights; \$6,841 (this includes all flights for the NFP Reform Council and Secretariat). All flights are booked under the departmental policy of Best Fare of the Day.

The department does not record travel data in a way that would readily allow more detailed answers to be provided to these questions. To attempt to provide this level of detail would involve an unreasonable diversion of departmental resources.

2. 2011-12
