**Notes:**

- 1) Amounts paid to travellers are based on the Taxation Determination (TD) for reasonable meal, travel and expense allowances (generally Travel Allowance or T/A) for the relevant financial year, currently TD 2011/17.
- 2) Food and Beverages are covered by the meal component and are the individual's responsibility,
- 3) There were additional costs for excess baggage on outward legs and air freight on return legs in relation to the 'away packs' associated with most travel by Broadcasting staff in support of interstate committees. We have not been able to identify the vast majority of these costs to a particular trip.
- 4) The cost of taxis used in relation to interstate travel is covered under a separate QoN, but is not itemised/linked by trip
