CANBERRA ACT 2600

Dear Mr Hallahan

**Additional Estimates Hearing: 18 February 2008**

I wish to correct a statement I made at the Additional Estimates 2007-08 hearing on 18 February 2008.

I refer you to page L&CA 61 of the Senate Proof Hansard, where Senator Barnett asked about programmes or staff impacted by application of the efficiency dividend. As part of my response, I stated that the agency has 'a total of nine permanent full-time staff and two part-time staff.' In fact, the Australian Commission for Law Enforcement Integrity (ACLEI) has nine permanent full-time staff and two seconded staff, one of whom is part-time.

The action officer for this matter is ACLEI's Manager Corporate Services, Brett Adam, who can be contacted on 6229 9339.

Yours sincerely
