2007/08	11352	13939	21189	2194	3447	3264	4207	4957					64 549

The monthly figures may add up to different yearly totals to those published in the annual report. This is because the end of financial year figures are 'frozen' at a particular time for official reporting, but departmental systems are dynamic and monthly totals may vary slightly depending on when reports are run.
