Senator Ellison (L&CA 18) asked:

Provide a copy of the stakeholder mailing list.

Answer:

Attachment A contains those organisations on the DIAC key stakeholder mailing list. This list is derived from the contacts departmental officers have with a wide range of key stakeholders. It is constantly evolving as the relationships change and new stakeholders emerge. While it is quite extensive it is not all-inclusive and there will be many other organisations and individuals with whom the Department deals. The records are reviewed and if necessary updated on a bimonthly basis and are kept between two months and permanently, depending on the nature of the relationship the Department has with the stakeholder. The purpose of the mailing list is to maintain contact details of key departmental stakeholders whom the Department may wish to inform of new programs/initiatives, significant changes, and/or events. Other department staff with a valid business reason may request a tailored version of the list to suit their business needs.
