Senator Barnett asked the following question at the hearing on 8 February 2010:

How many of the received submissions on an R 18+ classification for video games have used the template? How many of the received e-mailed submissions have used the template version?

The answer to the honourable senator's question is as follows:

As at 2 March 2010, the Attorney-General's Department has not yet analysed all submissions received. Of the 56,641 submissions that have been considered, 21,648 have used the template. This includes 4254 received as e-mailed submissions.
