Senator Hanson-Young asked:

Refugee assessment and judicial review: Is there a report generated by this office each month? Is it tabled or released onto Dept website?

Answer:

Judicial review outcomes are reported upon in the Department's Annual Report and in the Department's Fact Sheets, specifically, Fact Sheet No.9 – Litigation Involving Migration and Citizenship Decisions.

The Department also publishes a quarterly report titled Asylum Statistics – Australia Quarterly tables. This report is published on the Department's website and contains data on refugee assessments. The Asylum Statistics – Australia Quarterly tables report is located at: <http://www.immi.gov.au/media/publications/statistics/asylum/>
