IMMIGRATION AND BORDER PROTECTION PORTFOLIO

(AE14/258) PROGRAMME – 4.2 - Onshore Detention Network

Senator Carr (Written) asked:

Media reports on 3 February 2014 state that two persons have been transferred to Christmas Island for medical treatment, one who was subject to a current operation, for urgent medical treatment in relation to a heart condition.

- What was the nature of the heart condition?
- What was the treatment, was an operation performed?
- What was the follow up care plan?
- How is the person's health now?
- Where is the person now?

What was the reason for the second person being transferred to Christmas Island?

- What was the nature of their health issue?
- What was the treatment?
- What was the follow up care plan?
- How is the person's health now?
- Where is the person now? Why were these people not transferred to Australia for treatment?
