IMMIGRATION AND BORDER PROTECTION PORTFOLIO

(AE14/487) PROGRAMME – Internal Product

Senator Ludwig (Written) asked:

How many times were the last 20 FOI requests PDFs which were made available on the website downloaded? How often have the FOI requests only available by email request been sent?

Answer:

Recording of this information currently varies across the portfolio. Neither the Department of Immigration and Border Protection (DIBP) nor the Australian Customs and Border Protection Service (ACBPS) record the number of downloads of individual decisions from FOI disclosure logs. With regard to email requests for documents, DIBP does not record the number of email requests for documents listed on the disclosure log; ACBPS has received a total of five requests since 2011.
