IMMIGRATION AND BORDER PROTECTION PORTFOLIO

(AE14/490) PROGRAMME – Internal Product

Senator Ludwig (Written) asked:

Where did advice concerning the website accessibility certification and provision of PDFs come from and what was the content of that advice?

Answer:

The advice comes from the Australian Government Information Management Office's website, <http://webguide.com.au>, which states that PDFs are acceptable if alternative formats such as HTML are provided or contact details are made available.
