IMMIGRATION AND BORDER PROTECTION PORTFOLIO

(AE14/063) PROGRAMME – 4.3: Offshore Asylum Seeker Management

Senator Hanson-Young (L&CA 90) asked:

Senator HANSON-YOUNG: Mr Douglas, the contract refers to the department having specific input into senior key positions, does it not—section 5 of the contract? Mr Douglas: I do not hold the detail of that contract in my head and I certainly do not have a copy of it here. I would be very happy to take on notice and come back to you with what the senior officer structure is for G4S.

Answer:

The key personnel, as stipulated in Section 5 of the department's contract with G4S, are a Regional General Manager, a Deputy Regional General Manager, a Logistics Manager and a Senior Operations Manager.

The contract states that the department may, in its absolute discretion, give notice requiring the service provider to remove any key personnel from work in respect of the services required by the contract.
