Dear Ms Dennett

Error of fact correction to the Proof Hansard

Please find below an error of fact correction to page 111 of the Proof Hansard of the Legal and Constitutional Affairs Additional Estimates hearing on 25 February 2014:

- I advised that as at 21 February 2014, we had 4,993 detainees in the onshore network, including Christmas Island, of which 443 were non-IMA detainees. The correct figure for the number of detainees in the onshore network is 4893.

Yours sincerely

Matt Cahill
