

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS  
CLASSIFICATION BOARD

**Question No. 20**

**Senator Barnett asked the following question at the hearing on 25 May 2009:**

Of the 48 adult publications, five graffiti publications and 387 films the Board has called in this year, provide the names of each. Identify the 119 publications the Board has investigated over the past 12 months.

**The answer to the honourable senator's question is as follows:**

The titles in question have been collated and can be made available to the Committee.

However, many of the titles of the publications and films in question contain either explicit language or would be offensive to members of the community. Therefore, the titles in question have not been provided at this stage, pending further advice from the Committee.

Please note that 386 films have been called in by the Director of the Classification Board this year, not 387.
