CRIMTRAC

Question No. 102

Senator Barnett asked the following question at the hearing on 27 May 2009:

Can the Committee be provided with the key elements of the terms and conditions for the use of the database for the National Police Reference System?

The answer to the honourable senator's question is as follows:

Appendix A to this response is a copy of the Business Practice Management Agreement for the National Police Reference System – Persons. This was signed by the Commissioners of all States and Territories on 19 March 2009 and Ben McDevitt, CEO of CrimTrac. This outlines the terms and conditions for the use of NPRS by the various police jurisdictions.
