Senator Cash asked:

Has the SA Country Fire Service being called to the Inverbrackie facility?

*Answer.*

The SA Country Fire Service has been called to the Inverbrackie facility on one occasion. On 16 February 2011 the Fire Service was called in response to an incident in which a cooking pot boiled dry on a stove-top in one of the houses. There was no damage to the house and the clients were able to move back in the following day.
