QUESTION TAKEN ON NOTICE

SUPPLEMENTARY BUDGET ESTIMATES HEARING: 1 November 2005

IMMIGRATION AND MULTICULTURAL AND INDIGENOUS AFFAIRS PORTFOLIO

(179) Output 2.1:   Settlement Services

Senator Hurley (L&C 102) asked:

What is expected to be the cost of developing the online settlement client activity reports system?

Answer:

The total current estimated cost of developing the Online Settlement Client Activity Reports (OSCAR) system is $333,000.00.

This includes systems development, personnel and infrastructure costs, and training costs for Settlement Grants Program funded organisations.
