(271) Output 3.1: Whole-of-Government Coordination of Policy Development and Service Delivery for Indigenous Australians

Senator Evans asked:

Please provide a list of SRAs where one party has not met obligations, including the government agencies involved, and what has happened as a result. Please also indicate which ones have been resolved favourably.

Answer:

In all completed SRAs, the community and government obligations have been met. For those SRAs that are still in progress, community, government and other parties' obligations continue to be monitored.
