Senator Nettle (L&C 7) asked:

Is it possible to get that breakdown of the 193 cases left of which are TPVs and which are community cases?

Answer:

Of the 193 cases which were older than 90 days, since the DIMIA file was received by the Tribunal, as at 27 October 2005, 7 were detention cases and 186 cases were community cases of which 42 cases were in relation to applications for further temporary protection visas.
