Committee Secretary  
Department of the Senate  
Parliament House  
CANBERRA ACT 2600

Dear Mr Hallahan

**Correction to Question on Notice No.20 of 2008**

In response to question on notice 20 from Senator Barnett arising from the Senate Estimates Hearings of 20 October 2008 it was indicated that 41 nominations were considered for appointment as a Justice of the High Court.

It has been brought to my attention that in fact there were 40 nominations considered. I apologise for this error.

Yours sincerely

Kathy Leigh  
First Assistant Secretary  
Civil Justice Division
