Answer:

1) The department processed \$89 742.85 GST exclusive in media monitoring and newswire distribution expenses for the minister's office for the year 2010-11.

a) The department has three suppliers of media monitoring services.

1. Media Monitors

2. AAP

3. CCH

b) The budget to provide these same services to the department, the minister and the parliamentary secretary for the year 2011-12 is estimated to be approximately \$318 000 GST exclusive. This includes media monitoring, and newswire and distribution services. This is only an indicative amount as the department cannot predict the number of media releases that will be issued from the department, minister and parliamentary secretary each year, nor the extent or results arising from media monitoring of portfolio activities.

c) From 1 July 2011 until 30 September 2011 the department has processed \$28 787.60 GST exclusive in media monitoring and newswire distribution expenses for the minister's office.
