Senator Humphries (written) asked:

Portfolio wide - In 2011-12 and this financial year to date, how many documents (include the amount of copies) were printed? How many of these printed documents were also published online? Of the documents that were printed in 2011-12, where were they delivered and what was the cost?

*Answer:*

The very detailed information sought is not readily available in consolidated form and it would be a major task to collect and assemble it. The considerable resources required to collate the information cannot be justified.

*MRT-RRT:*

*Answer:*

MRT-RRT does not record this information, nor is this information separately identified in the ledger or financial reporting system.
