Senator Humphries (written) asked:

Portfolio wide - Hospitality and Entertainment: What is the Department/Agency's hospitality spend for 2011-12 and this financial year to date? Detail date, location, purpose and cost of all events.

Answer:

The department's official hospitality expenditure for the 2011-12 financial year was

	(\$)
Onshore - within Australia	99 268
Offshore - outside Australia	58 985
Total	158 253

Expenses relate primarily to meals provided to foreign dignitaries or key stakeholders in order to build stakeholder relationships. A full breakdown of expenditure for 2011-12 is provided in this response.

While the department has commenced collating event details for 2012-13, it is not possible to itemise details of events held this financial year to date without an unreasonable diversion of resources.

MRT-RRT:

Answer:

In the financial year 2011-12 the MRT-RRT spent \$1 311 on hospitality. In the financial year 2012-13 (to 30 September 2012) the MRT-RRT spent \$400 on hospitality. The details are:
