SUPPLEMENTARY BUDGET ESTIMATES HEARING: 19 November 2013

IMMIGRATION AND BORDER PROTECTION PORTFOLIO

(SE13/0191) PROGRAMME – Internal Product

Senator Ludwig (Written) asked:

How many documents (include the amount of copies) have been printed from 7 September 2013 to date? How many of these printed documents were also published online?

Answer:

The majority of the department's public documents are published online or are available in electronic form. Documents are printed as required. The department does not have information on the number of documents printed. The considerable resources required to collate the information cannot be justified.

MRT-RRT:

The only document printed for publication since 7 September 2013 was the MRT-RRT Annual Report. Annual reports are published online but 650 printed copies were printed to meet tabling requirements and for limited distribution.
