

Attachment A to ATSB 04

List of aviation REPCON reports received between 1 November 2008 and 31 October 2010

Date Logged	Short Title		Date Logged	Short Title
03-Nov-08	Regional airlines - passenger briefing		31-Dec-08	Regional airlines - load control system
04-Nov-08	All - no obstacle light fitted to broadcast mast		05-Jan-09	High capacity air transport - interference by electromagnetic signals
05-Nov-08	Regional airlines - pressure to exceed duty times		05-Jan-09	All - misuse of VHF frequency 121.5
10-Nov-08	Sports aviation - maintenance procedures		06-Jan-09	General aviation - CTAF circuit direction
20-Nov-08	Flight training - duty times		13-Jan-09	Charter - Operation of VFR flights in IMC
21-Nov-08	General aviation - flight with ADF unserviceable		14-Jan-09	General aviation - Operating procedures at Aldinga aerodrome
24-Nov-08	All - accuracy of TAF's		15-Jan-09	General aviation - maintenance defects
27-Nov-08	General aviation - used incorrect taxiway		18-Jan-09	Sports aviation - runway incursion
27-Nov-08	High capacity air transport - ETOPS operations		18-Jan-09	General aviation - unavailable runway Jandakot
27-Nov-08	Charter - VFR GPS in IMC		24-Jan-09	Sports aviation - parachute operations
30-Nov-08	General aviation - model aircraft in circuit area		27-Jan-09	General aviation - Collision risk in IFR at Bankstown airport
01-Dec-08	High capacity air transport - runway standards A380		27-Jan-09	All - Different CTAF frequencies used in same area
01-Dec-08	General aviation - circuit procedures		28-Jan-09	General aviation - low level flying
01-Dec-08	General aviation - low flying		02-Feb-09	General aviation - Defect not recorded
01-Dec-08	All - fire extinguisher standards		03-Feb-09	Charter - VFR operations in IMC
03-Dec-08	Sports aviation - operating in cloud		03-Feb-09	Charter - safety management system
03-Dec-08	Sports aviation - parachute drop operations in cloud		07-Feb-09	High capacity air transport - LAME qualifications
18-Dec-08	General aviation - birdstrike		07-Feb-09	General aviation - helicopter circuit operations
10-Feb-09	High capacity air transport - Cabin crew fatigue		20-Mar-09	High capacity air transport - cabin crew fatigue
11-Feb-09	High capacity air transport - LAME qualifications		24-Mar-09	High capacity air transport - incorrect instillation engine mounts
13-Feb-09	High capacity air transport - LAME SOE		27-Mar-09	ATC - Controller qualifications
16-Feb-09	General aviation - marginal weather conditions		27-Mar-09	General aviation - maintenance error
20-Feb-09	Sports aviation - VCAs		30-Mar-09	Charter - door opening in flight

Date Logged	Short Title		Date Logged	Short Title
26-Feb-09	High capacity air transport - cabin crew duty times		05-Apr-09	Aerial applications - logging of hours flown
27-Feb-09	Regional airlines - inaccuracies in QRH		07-Apr-09	High capacity air transport - maintenance carried out by flight crew
03-Mar-09	Regional airlines - maintenance personnel qualifications		14-Apr-09	High capacity air transport - Flight crew fatigue
06-Mar-09	Flight training - radio communications		15-Apr-09	General aviation - landing accident
09-Mar-09	Sports aviation - balloon flights		17-Apr-09	High capacity air transport - Flight crew fatigue
10-Mar-09	Sports aviation - aggressive flying practices		22-Apr-09	High capacity air transport - inexperienced crews operating into limited runway
10-Mar-09	Sports aviation - aggressive flying practices		28-Apr-09	Regional airlines - poor landing performance
12-Mar-09	General aviation - Low level flying		28-Apr-09	Charter - ground handling of aircraft
16-Mar-09	High capacity air transport - control of engineering authorities		01-May-09	High capacity air transport - low time captains operate short runways
16-Mar-09	High capacity air transport - maintenance overrun		04-May-09	Regional airlines - flight crew fatigue
16-Mar-09	General aviation - pilot dangerous goods training		05-May-09	High capacity air transport - policy on the serving of alcohol
17-Mar-09	General aviation - Ferry flight		06-May-09	High capacity air transport - certification of maintenance
19-Mar-09	High capacity air transport - close proximity to another aircraft		06-May-09	High capacity air transport - Flight crew fatigue
07-May-09	High capacity air transport - non standard radio calls		14-Jul-09	General aviation - low flying
15-May-09	General aviation - flight without autopilot fitted		20-Jul-09	High capacity air transport - cabin crew operations during turbulence
15-May-09	High capacity air transport - Receipt compliance certification		20-Jul-09	All - ATC practices
15-May-09	General aviation - Pilot drug use		23-Jul-09	All - Aerodrome safety
15-May-09	High capacity air transport - Flight crew fatigue		26-Jul-09	Runway delineation issues
17-May-09	Regional airlines - flap retraction procedures		28-Jul-09	High capacity air transport - HF communications
19-May-09	High capacity air transport - external window release handle		28-Jul-09	General aviation - airprox
22-May-09	Charter - compliance with flight duty times		01-Aug-09	High capacity air transport - component overruns
25-May-09	High capacity air transport - Heavy landing		05-Aug-09	High capacity air transport - passenger seat standards
27-May-09	Flight training - Flight test after modifications		05-Aug-09	High capacity air transport - Flight and duty times
28-May-09	General aviation - Compliance with published procedures		05-Aug-09	Charter - safety briefing not provided
28-May-09	High capacity air transport - use of PED		07-Aug-09	Aerial work - Air ambulance
15-Jun-09	Sports aviation - precautionary search		19-Aug-09	General aviation - circuit procedures

Date Logged	Short Title		Date Logged	Short Title
17-Jun-09	High capacity air transport - crew fatigue and crew rest facilities		25-Aug-09	Flight training - runway excursion
17-Jun-09	Regional airlines - level of noise in cabin		29-Aug-09	High capacity air transport - aircraft defects
01-Jul-09	General aviation – pre-flight inspection		11-Sep-09	High capacity air transport - defects at non maintenance ports
05-Jul-09	High capacity air transport - Flight crew fatigue		22-Sep-09	High capacity air transport - flight deck procedures
12-Jul-09	High capacity air transport - door opened after push back clearance		24-Sep-09	Charter - low flying
30-Sep-09	High capacity air transport - Passengers standing during push back		12-Nov-09	Sports aviation - use of alcohol
30-Sep-09	General aviation - radio calls on ALA frequency		12-Nov-09	High capacity air transport - flight crew fatigue
06-Oct-09	High capacity air transport - Cabin crew duty time		15-Nov-09	General aviation - VCA
12-Oct-09	Sports aviation - circuit compliance		17-Nov-09	Sports aviation - low flying
18-Oct-09	General aviation - low flying		23-Nov-09	All - ATIS too difficult to understand
19-Oct-09	General aviation - Tyre blew on landing		24-Nov-09	High capacity air transport - Flight crew fatigue
19-Oct-09	Charter - low level flying		24-Nov-09	All - Tug runway crossing operating procedures
19-Oct-09	UFO		27-Nov-09	Flying training - Instructor fatigue
19-Oct-09	General aviation - engine ground runs		05-Dec-09	Flight training - operating procedures
21-Oct-09	High capacity air transport - load control system		10-Dec-09	Flight training - air prox
23-Oct-09	General aviation – over flown Airworthiness Directive		12-Dec-09	General aviation - low flying
26-Oct-09	All - RNAV approach at Cooktown		14-Dec-09	Flight training - instructor qualifications
26-Oct-09	Regional airlines - flight duty time		14-Dec-09	General aviation - CTAF frequency jammed
28-Oct-09	High Capacity Air Transport - Maintenance		17-Dec-09	Regional airlines - maintenance procedures
02-Nov-09	General aviation - certification for maintenance		01-Jan-10	High capacity air transport - destination closed due to severe weather conditions
08-Nov-09	High capacity air transport - Flight crew fatigue		05-Jan-10	General aviation - taxiing procedures
08-Nov-09	Sports aviation - low flying		11-Jan-10	High Capacity Air Transport - Cabin crew fatigue
10-Nov-09	ATC - issue of NOTAM		11-Jan-10	High capacity air transport - cabin exit lighting
12-Jan-10	General aviation - AD/INST/9		24-Feb-10	High capacity air transport - evacuation procedures at terminal
13-Jan-10	Aerial work - carriage of passengers		24-Feb-10	General aviation - aerodrome markers
15-Jan-10	High capacity air transport - refuelling with passengers on board		24-Feb-10	Sports aviation - location of drop zone

Date Logged	Short Title		Date Logged	Short Title
18-Jan-10	Regional airlines - operation without flight attendant		26-Feb-10	General aviation - gun club located in close proximity to aerodrome
18-Jan-10	General aviation - low flying in marginal weather		02-Mar-10	Charter - lack of experienced LAMEs
19-Jan-10	High capacity air transport - low fuel diversion		04-Mar-10	Military - tyre burst on landing
25-Jan-10	Transport security concern - security at terminal		05-Mar-10	High capacity air transport - emergency exit row
29-Jan-10	Aerial work - helicopter operating at low altitude		08-Mar-10	High capacity air transport - seats not remain in upright position
29-Jan-10	High capacity air transport - flight deck door unserviceability		11-Mar-10	All - operations of Rear of Aircraft Road
01-Feb-10	Aerial work - amendments to operating procedures		11-Mar-10	General aviation - operating practices at Aldinga
03-Feb-10	Flying training - instructor fatigue		12-Mar-10	High capacity air transport - flight duty times extended
03-Feb-10	High capacity air transport - ground handling fitness for work		12-Mar-10	General aviation - Industrial relations issues
10-Feb-10	High capacity air transport - AO-2009-080		13-Mar-10	High capacity air transport - aircraft safety
16-Feb-10	Transport Security Concern - use of ASIC cards		16-Mar-10	Charter - commercial operations without AOC
17-Feb-10	Charter - noise complaint		17-Mar-10	Aerial work - radio communication with helicopter
18-Feb-10	High capacity air transport - air prox		19-Mar-10	High capacity air transport - understanding of ETOPS requirements
18-Feb-10	General aviation - low flying		24-Mar-10	Flight training - violation controlled airspace
19-Feb-10	General aviation - car on runway		24-Mar-10	High capacity air transport - flight crew roster
24-Mar-10	Regional airlines - not making radio calls		12-May-10	Sports aviation - parachute operations
25-Mar-10	High capacity air transport - flight crew pressured to extend duty times		12-May-10	General aviation - sequencing operations at Bankstown
25-Mar-10	General aviation - low flying at Jandakot aerodrome		13-May-10	High capacity air transport - flight continued after defect
26-Mar-10	High capacity air transport - long flight and duty times Sydney to Perth		17-May-10	General aviation - non standard radio calls Derby WA
26-Mar-10	All - Jeppesen documents arriving after effective date		19-May-10	Flight training - flying in very poor weather conditions
29-Mar-10	General aviation - low flying and dangerous turns		21-May-10	All - helicopter circuit operations
30-Mar-10	High capacity air transport - aircraft fuel leak		21-May-10	Charter - poor airmanship
30-Mar-10	High capacity air transport - flight crew fatigue		24-May-10	High capacity air transport - cabin seat recline function
30-Mar-10	High capacity air transport - flight duty times exceeded		25-May-10	General aviation - airfield security
09-Apr-10	High capacity air transport - aircraft defect		27-May-10	Charter - helicopter airmanship
12-Apr-10	Military - low flying		31-May-10	General aviation - collision avoidance

Date Logged	Short Title		Date Logged	Short Title
13-Apr-10	General aviation - low flying		31-May-10	Aerial work - dangerous flying
18-Apr-10	All - reporting safety concerns to CASA		31-May-10	Flying training - VFR in IMC
24-Apr-10	ATC - controller fatigue		31-May-10	All - control of continuing airworthiness for older aircraft
26-Apr-10	Regional airlines - continue flying with defects		05-Jun-10	General aviation - old CTAF frequency
28-Apr-10	High capacity air transport - long hours maintenance personnel work		09-Jun-10	General aviation - traffic information
03-May-10	High capacity air transport - Seat belts incorrectly fitted		10-Jun-10	High capacity air transport - hydraulic pump failures
10-May-10	General aviation - procedures with disabled aircraft near runway		14-Jun-10	Sports aviation - parachute operations
15-Jun-10	Sports aviation - Communications CTAF requirements		26-Jul-10	Charter - Operations at Pier 35
15-Jun-10	General aviation - runway incursion		26-Jul-10	Aerial work - not providing position reports
16-Jun-10	Flight training - Flight authorisation concerns		28-Jul-10	High capacity air transport - Understanding of users of ETOPS manual
18-Jun-10	General aviation - Maintenance directive failure to follow		29-Jul-10	Charter - VFR in IMC
23-Jun-10	Sports aviation - bird strike		02-Aug-10	High capacity air transport - carry-on baggage
28-Jun-10	High capacity air transport - cabin crew fatigue		06-Aug-10	High capacity air transport - cabin crew fatigue
01-Jul-10	Other - Unauthorised low descent into model aircraft designated area		06-Aug-10	High capacity air transport - Cabin crew procedures when the seat belt sign is illuminated
05-Jul-10	High capacity air transport - Cabin window air leak		06-Aug-10	High capacity air transport - flight attendant training
07-Jul-10	High Capacity Air Transport - SOP concerns		07-Aug-10	Communications - improper use of frequency
08-Jul-10	High capacity air transport - training of new cabin crew		07-Aug-10	High capacity air transport - Crew sign on times not sufficient to carry out pre-flight duties
13-Jul-10	High capacity air transport - flight planning and flight following		07-Aug-10	Sport aviation - logging flight hours not conducted by the pilot
14-Jul-10	All - high powered non visible laser		09-Aug-10	High capacity air transport - flight duty rostering system
16-Jul-10	General aviation - vehicle parked on runway		18-Aug-10	High capacity air transport - Pilots encouraged to place commercial pressures over safety
20-Jul-10	All - Safety concerns with RNP "P" app proc to rwy 19 at Brisbane		23-Aug-10	High capacity air transport - Cabin crew long duty hours.
22-Jul-10	High capacity air transport - flight crew fatigue		23-Aug-10	Flight training - Flying operations standards
23-Jul-10	High capacity air transport - landing below minimum visibility		24-Aug-10	General aviation - Pilot alcohol use
23-Jul-10	General aviation - brakes failed		24-Aug-10	High capacity air transport - Operator's load control system.
23-Jul-10	High capacity air transport - loading errors		24-Aug-10	High capacity air transport - ETOPS standards. Engine driven hydraulic pump failures.

Date Logged	Short Title		Date Logged	Short Title
25-Aug-10	General aviation - GA8 and GA8-TC320 aircraft engine and FCU maintenance issues.		28-Sep-10	All - Increasing number of birdstrikes at the aerodrome.
26-Aug-10	High capacity air transport - Errors with Operator's flight planning		04-Oct-10	General aviation - Aircraft CTAF procedures.
27-Aug-10	General aviation - Aerodrome emergency procedures re the PAL lighting system.		05-Oct-10	High capacity air transport - Required certified work on aircraft not being completed.
28-Aug-10	High capacity air transport - flight standing orders for flight crews		12-Oct-10	The operator's load control procedures.
30-Aug-10	High capacity air transport - flight attendant training		15-Oct-10	Regional airlines - quality of training decreased
30-Aug-10	High capacity air transport - long cabin crew duty roster.		18-Oct-10	Aerial work - Over-run of flight duty time
01-Sep-10	High capacity air transport - Flight following Weather updates		22-Oct-10	High capacity air transport - Flight attendant long rostered duty times.
02-Sep-10	Aerial work - Unserviceable aircraft weather radar.		24-Oct-10	General aviation - Low flying aircraft Apollo Bay
03-Sep-10	Regional airlines - Remote access system for flight deck door.		29-Oct-10	All - fuel services Sydney airport
07-Sep-10	Regional airlines - Breaching of the flight deck door		29-Oct-10	High capacity air transport - Cabin safety demonstration
08-Sep-10	High capacity air transport - New international cabin crew ability to speak and understand english.		29-Oct-10	High capacity air transport - Cabin secure procedures
08-Sep-10	Regional Airlines - Security concern		30-Oct-10	High capacity air transport - Pax boarding via tarmac
09-Sep-10	High capacity air transport - Safety management system		01-Nov-10	All - CTAF frequency congestion
10-Sep-10	High capacity air transport - Aircraft separation concern		03-Nov-10	High capacity air transport – Call-sign confusion
15-Sep-10	High capacity air transport - Operator's holding fuel policy		04-Nov-10	High capacity air transport - Anti-ice equipment not operating
20-Sep-10	High capacity air transport - Pilot fatigue levels not considered in roster		04-Nov-10	General aviation - Low flying aircraft
21-Sep-10	Sports aviation - Parachute drop operations			
24-Sep-10	Charter - Transport of animals within the passenger cabin.			
04-Nov-10	All – Laser light
