

State	Project	Purpose	Key Proponent	Approved Funding	Completed
NSW	Anama Street voluntary purchase (Cabbage Tree voluntary purchase)	Voluntary purchase of 16 residential buildings in the Cabbage Tree Creek floodway of Fairy Meadow.	Wollongong City Council	See note	No
NSW	Armidale - Dumaresq Creek flood proofing and voluntary purchase	Voluntary purchase and flood proofing of properties in Armidale along the Dumaresq Creek and tributaries.	Armidale Dumaresq Council	See note	No
NSW	Bakers Road Detention Basin	Construction of the Bakers Road detention basin to temporarily store flood waters and reduce flood discharges and heights downstream.	Coffs Harbour City Council	\$140,000	No
NSW	Balranald - Murrumbidgee River levee and bank rehabilitation	Structural measures such as levee bank rehabilitation and augmentation and infrastructure for overland flooding control.	Balranald Shire Council	\$110,000	No
NSW	Bathurst - Macquarie River levees, bridge widening and channel improvement	Construction of multiple levees, bridge widening and channel improvements on the Macquarie River at Bathurst.	Bathurst City Council	\$300,000	No
NSW	Baulkham Hills voluntary purchase	Voluntary purchase of 6 properties as part of the South Baulkham Hills Flood Mitigation Project.	Baulkham Hills Shire Council	See note	No
NSW	Camden voluntary purchase / house raising / flood proofing	Voluntary purchase of 43 properties, house raising of 62 properties and flood proofing of 56 properties in Camden on the Upper Nepean River.	Camden Shire Council	See note	No
NSW	Casino floodplain voluntary purchase / voluntary house raising	Voluntary purchase of 12 properties and house raising of a further 26 properties in Casino.	Richmond Valley Council	See note	No
NSW	Central Tamworth voluntary purchase	Voluntary purchase of 2 residential properties in a high hazard flood way of central Tamworth.	Tamworth Shire Council	\$50,000	No
NSW	Cooma Creek channel improvements, levee	Levee construction and channel improvements along the Cooma Creek at Cooma.	Cooma-Monaro Shire Council	\$40,000	No
NSW	Coonamble levee repair	Rehabilitation of a section of the Coonamble Levee, in the vicinity of Castlereagh and Macquarie Streets, at risk of failure in future floods.	Coonamble Shire Council	\$5,000	No
NSW	Dapto voluntary purchase	Voluntary purchase of 9 houses in the Burringbar Street area of Dapto.	Wollongong City Council	See note	No
NSW	Deniliquin levee	Upgrading and reconstruction of the North Deniliquin and South Deniliquin levees.	Deniliquin City Council	\$333,334	No
NSW	Dora Creek voluntary house raising	Voluntary house raising of at least 3 properties in the flood prone Dora Creek area.	Lake Macquarie City Council	\$33,333	No
NSW	Eugowra voluntary purchase	Voluntary purchase of at least 4 residential properties located in high hazard floodway areas of Eugowra.	Cabonne Shire Council	See note	No
NSW	Euston levee	Rehabilitation of the existing levee system at Euston.	Balranald Shire Council	\$135,000	No
NSW	Gloucester voluntary purchase and house raising	Voluntary raising of 18 flood affected houses and purchase of 5 isolated residences in Gloucester's high hazard floodplain.	Gloucester Shire Council	\$13,334	No
NSW	Grafton Bowling Club levee	Rehabilitation works on the levee near the Grafton Bowling Club to provide protection to the city of Grafton.	Clarence River County Council	\$40,000	No
NSW	Gunnedah and Carroll - Namoi River voluntary purchase and house raising	Voluntary purchase of 25 houses and voluntary house raising of 184 houses in Gunnedah and Carroll along the Namoi River.	Gunnedah Shire Council	See note	No
NSW	Hay levee	Rehabilitation of existing levee to protect the town of Hay.	Hay Shire Council	\$5,000	No
NSW	Kelso voluntary purchase	Voluntary purchase of some 30 residential properties on the Kelso floodplain in Bathurst outside of levee protected areas.	Bathurst City Council	See note	No
NSW	Kempsey voluntary purchase	Voluntary purchase of up to 10 properties located in a high hazard floodway of Kempsey.	Kempsey Shire Council	See note	No

State	Project	Purpose	Key Proponent	Approved Funding	Completed
NSW	Killarney Vale - Wyong Road retarding basin upgrade	Raising the embankment height of an existing retarding basin adjacent to Wyong Road and Killarney Vale Athletics Field to increase storage capacity to help reduce flooding of downstream areas.	Wyong Shire Council	\$5,000	No
NSW	King George V and Peel River voluntary purchase and house raising	18 residences to be considered for either voluntary purchase or house raising in Tamworth.	Tamworth Shire Council	See note	No
NSW	Lake Macquarie voluntary house raising	Voluntary house raising of at 3 properties in the catchment area of Lake Macquarie.	Lake Macquarie City Council	\$40,000	No
NSW	Lismore levee	Construction of new levees and the modification of existing levees to protect Central Lismore (including CBD) and South Lismore.	Richmond River County Council	\$100,000	No
NSW	Lismore voluntary purchase	Voluntary purchase of 26 houses in North Lismore and Central Lismore outside of levee protected areas.	Richmond River County Council	See note	No
NSW	Lithgow - Farmers Creek flood flow improvements & voluntary purchase / house raising	Improving the flood flow capacity of Farmers Creek in Lithgow.	Lithgow City Council	\$5,000	No
NSW	Maitland levee rehabilitation	Rehabilitation and strengthening of the main town levee at Maitland.	Hunter Catchment Management Trust	\$20,000	No
NSW	Maitland voluntary purchase	Voluntary purchase of 152 properties in central Maitland and Lorn outside of levee protected areas.	Hunter Catchment Management Trust	See note	No
NSW	Moama - Murray River levee	Rehabilitation of a levee bank and related works on the Murray River in Moama.	Murray Shire Council	\$50,000	Yes
NSW	Molong voluntary purchase	Voluntary purchase of 2 houses in Molong.	Cabonne Shire Council	See note	No
NSW	Moulamein levee	Raising and strengthening of the existing Moulamein levee system.	Wakool Shire Council	\$167,000	No
NSW	Mungindi levee upgrade	Reconstruction and upgrading of the levee on the Barwon River at Mungindi.	Moree Plains Shire Council	\$115,000	No
NSW	Murrurundi levee	Provision of a levee (Adelaide Street Levee) and voluntary purchase of two flood prone properties.	Murrurundi Shire Council	\$70,000	No
NSW	Murwillumbah voluntary purchase	Voluntary purchase of 15 houses in South Murwillumbah in a high hazard floodway.	Tweed Shire Council	See note	No
NSW	Muswellbrook voluntary purchase	Voluntary purchase of 54 properties in high hazard zones of Muswellbrook.	Muswellbrook Shire Council	See note	No
NSW	Narara - Hanlan Street South culvert upgrade	Upgrade of the existing culvert in Hanlan Street, Narara.	Gosford City Council	\$80,000	No
NSW	Narara - Narara Creek, Hanlan Street voluntary purchase	Voluntary purchase of 1 property on the Narara Creek, west of Hanlan Street in Narara.	Gosford City Council	See note	No
NSW	Narrabri voluntary purchase	Voluntary purchase of approximately 91 residential properties located in high hazard floodways of the Namoi waterway in Narrabri.	Narrabri Shire Council	See note	No
NSW	North Bourke voluntary purchase	Voluntary purchase of 2 properties located in the flood prone area of North Bourke village.	Bourke Shire Council	See note	No
NSW	North Wentworthville voluntary purchase	Voluntary purchase of 3 homes as identified in the North Wentworthville Floodplain Management Plan.	Parramatta City Council	See note	No
NSW	Palmers Island voluntary purchase	Voluntary purchase of 9 dwellings at Palmers Island village on the Lower Clarence River.	Clarence River County Council	See note	No
NSW	Reedy Creek voluntary purchase	Voluntary purchase of 3 properties in Malua Bay under the Reedy Creek Voluntary Purchase Scheme.	Eurobodalla Shire Council	See note	No
NSW	Scone voluntary house raising	Up to 10 residences identified for voluntary house raising in Scone on the Parson's Gully catchment.	Scone Shire Council	See note	No
NSW	Settlement Point Bank Protection	Bank protection of the western side (upstream) of Settlement Point to protect adjoining public infrastructure and private property.	Hastings Council	\$73,333	No

State	Project	Purpose	Key Proponent	Approved Funding	Completed
NSW	Stonequarry Creek Bank Stabilisation Works at Picton	Improving flow characteristics of the main channel of the Stonequarry Creek at Picton by clearing vegetation and bank reshaping.	Wollondilly Shire Council	\$10,000	No
NSW	Taminda levee	Construction of a levee to protect Tamworth's main industrial area of Taminda and some residential properties from flooding.	Tamworth Shire Council	\$500,000	No
NSW	Terara levee restoration	Reconstruction and upgrading of the levee on the lower Shoalhaven River at the village of Terara.	Shoalhaven City Council	\$73,000	No
NSW	Tocumwall - Murray River levee reconstruction	Reconstruction and upgrading of the levee on the Murray River at Tocumwal.	Berrigan Shire Council	\$5,000	Yes
NSW	Ulmarra - Clarence River levee and voluntary purchase	Rock protection to the existing river bank levee, and voluntary purchase of properties at risk along the Clarence River at Ulmarra.	Clarence River County Council	\$70,000	No
Qld	Ayr, Brandon, Lilliesmere Lagoon flood mitigation works (dam and channel improvements)	Channel improvements and installation of an automatic control gate at Ayr, Brandon and Lilliesmere Lagoon.	Burdekin Shire Council	\$31,400	No
Qld	Cambooya - upgrading of Alfred Street low level floodway	Upgrading of the Alfred Street low level floodway in Cambooya to improve access and evacuation along the Toowoomba-Karara Road during flooding.	Cambooya Shire Council	\$46,667	No
Qld	Charleville and Augathella levees (Warrego River)	Construction of the Charleville and Augathella levees.	Murweh Shire Council	\$561,750	No
Qld	Finch Hatton levee and overflow project	Construction of a levee and overflow path in Finch Hatton.	Mirani Shire Council	\$170,000	No
Qld	Gayndah - relocation of a flood prone house	Relocation of a flood prone house in Gayndah.	Gayndah Shire Council	\$10,000	No
Qld	Grasstree Beach - upgrading of Grasstree Road	Upgrading of Grasstree Road to provide a flood evacuation route for the township of Grasstree Beach.	Sarina Shire Council	\$50,000	No
Qld	Halifax levee	Extension of the riverbank levee at Halifax to provide protection to the southern side of the town.	Herbert River Improvement Trust	\$33,333	No
Qld	Horseshoe Lagoon - channel improvements	Channel improvements and easement acquisition at Horseshoe Lagoon.	Burdekin Shire Council	\$38,333	No
Qld	Jericho levee	Detailed design of the Jericho levee.	Jericho Shire Council	\$12,000	No
Qld	Kelso flood diversion scheme	Kelso Flood Diversion Scheme Stage 1A (open drain widening and culvert upgrade at Shetland Place) and Stage 2 (construction of an underground drainage system along Ross River Road).	Thuringowa City Council	\$1,266,667	No
Qld	Logan River community flood watch and flood awareness program	Logan River community flood watch and flood awareness program.	Logan City Council	\$20,000	No
Qld	Lower Herbert River Catchment - voluntary house raising	Voluntary house raising program for flood prone properties in the Lower Herbert River Catchment.	Hinchinbrook Shire Council	\$140,000	No
Qld	Mackay - North Mackay and South Bank levee	Construction of the North Mackay levee and upgrading of the South Bank levee in Mackay.	Pioneer River Improvement Trust	\$221,025	No
Qld	Marburg - Black Snake Creek detention basin and channel upgrade	Construction of the Black Snake Creek detention basin and channel upgrade at Marburg.	Ipswich City Council	\$400,000	No
Qld	Queens Beach - Don River bank stabilisation works	Don River bank stabilisation works to protect Queens Beach from inundation.	Don River Improvement Trust	\$164,115	Yes
Qld	Toowoomba - West Creek flood mitigation project	West Creek Flood Mitigation Scheme – channel improvements from Margaret to Russell Streets in Toowoomba.	Toowoomba City Council	\$34,710	No
Qld	Townsville West - flood mitigation project (Woolcock Canal)	Townsville West Flood Mitigation Project Stage 1 (completion of various works along Woolcock Canal, including channel widening, to increase flow rates).	Townsville City Council	\$140,000	Yes

State	Project	Purpose	Key Proponent	Approved Funding	Completed
Qld	Trebonne - flood warning system	Installation of flood warning Alert Station at Trebonne.	Herbert River Improvement Trust	\$20,000	No
SA	Gawler River flood mitigation scheme	The Gawler River Flood Mitigation Scheme consists of a number of elements including the construction of a flood control dam on the North Para River.	Gawler River Floodplain Management Authority	\$350,000	No
SA	Kapunda flood mitigation works	Flood mitigation works to formalise and realign flows from Kapunda Creek to protect eight properties between Mildred and Nash Streets, Kapunda.	Light Regional Council	\$24,100	No
SA	Koonibba flood mitigation project	Construction of levee banks to protect approximately 20 properties in the low-lying areas of Koonibba.	Koonibba Aboriginal Community Council	\$108,200	No
SA	Wirrabara flood mitigation works	Construction of three small detention dams and associated works to protect 21 properties in Wirrabara.	District Council of Mount Remarkable	\$50,000	No
SA	Yalata flood mitigation works	Construction of levee banks to the west and south of Yalata to protect residential properties and infrastructure in the township.	Yalata Community Incorporated	\$70,700	No
Tas	Latrobe flood mitigation project (detention basin)	Construction of a detention basin on Kings Creek to reduce flooding in Latrobe township.	Latrobe Council	\$54,000	No
Tas	Longford - South Esk River levee	Construction of a levee at Longford across the Back Creek catchment with a culvert and gate structure installed over the creek.	Northern Midlands Council	\$116,000	No
Vic	Benalla flood mitigation scheme	The Benalla Flood Mitigation Scheme consists of various works including vegetation clearance and reduction, culvert widening and installation of additional culverts.	Benalla Rural City Council	\$280,000	No
Vic	Shepparton-Mooroopna flood warning system	Establishment of a flood warning system for Shepparton-Mooroopna including upgrading of stations and community awareness measures.	Greater Shepparton City Council	\$70,000	No
Vic	Wangaratta flood mitigation works	The Wangaratta Flood Mitigation Scheme comprises a number of elements. Funding will complete the following outstanding works – Whitfield Road culvert, Sunset Drive/Three Mile Creek levee, and protection of isolated dwellings in the Ovens River valley.	Rural City of Wangaratta	\$88,394	No
WA	Busselton - upgrading of flood protection (detention basin network)	This project aims to increase the level of flood protection for Busselton by retaining floodwaters in the upper catchment through a network of detention basins.	Water Corporation	\$360,115	No
WA	Carnarvon - flood mitigation works	This project is aimed at implementing the mitigation measures recommended in the Lower Gascoyne River - Carnarvon Floodplain Management Strategy. Major elements include flood detention embankments, a leveed floodway channel and levees.	Shire of Carnarvon	\$200,000	No

Note Included in a NSW state wide voluntary purchase allocation of \$1,035,000

Federal Electorate	Project	Purpose	Key Proponent	Approved Funding	Completed
Braddon	Latrobe flood mitigation project (detention basin)	Construction of a detention basin on Kings Creek to reduce flooding in Latrobe township.	Latrobe Council	\$4,500	No
Calare	Bathurst - Macquarie River levees, bridge widening and channel improvement	Construction of multiple levees, bridge widening and channel improvements on the Macquarie River at Bathurst.	Bathurst City Council	\$300,000	No
