Dear Senator Sterle

Senate Additional Budget Estimates February 2009

I write regarding a statement made at the Senate Additional Budget Estimates held on the 24 February 2009.

Hansard Transcript Statement reads:

Mr Deegan – On 19 **September** last year Infrastructure Australia made public a report to the Council of Australian Governments on its view on infrastructure priorities and a host of issues to deal with those infrastructure issues.

Hansard transcript should read:

Mr Deegan – On 19 **December** last year Infrastructure Australia made public a report to the Council of Australian Governments on its view on infrastructure priorities and a host of issues to deal with those infrastructure issues.

Yours sincerely
