Information pertaining to these entities for the period 1 July 2011 to 31 January 2012 is available in the answer to the same question provided by the Department of the Prime Minister and Cabinet.

The answer does, however, include information about the Minister for the Arts' expenditure on official hospitality because prior to the transfer of the Office for the Arts and the Office for Sport to the Department, an arrangement had been reached with the Department of the Prime Minister and Cabinet, which saw the Department cover the costs of hospitality provided by the Minister for the Arts. This arrangement recognised the Minister's dual portfolios and that such hospitality was an infrequent occurrence.
