

## Consultancy Services 16 March 2005 – 23 May 2005

The list below details consultants engaged between 16 March 2005 – 23 May 2005 with a contract price of \$10 000 or more. The contract price for consultancies includes goods and services tax (GST).

**Method of Selection**

**Reason for Employment**

- |  |  |
|--|--|
| 1. Advertised publicly                               | a. Specialist skills not available within the Department are required                  |
| 2. Selective tender process                          | b. They bring greater objectivity and independence to the task                         |
| 3. Not advertised because a contract already existed | c. Rapid access to the latest technology and experience in its application is needed   |
| 4. Direct selection/sole source                      | d. Appropriate in-house resources do not exist   |
| 5. Joint venture                                     | e. The department benefits from their broader experience and practices                 |
| 6. Consultants' register/panel                       | Specialist skills can be transferred to Departmental staff associated with the project |
