Aero-Tropics Mail Run Information .

Play Postie for a Day - Charter Only Flights - Available Through Business & Leisure Travel

Cape York and the Gulf Savannah are the last Australian frontier. Located on the northern most tip of Australia, Cape York Peninsula is a wild and sparsely populated wilderness area and is only accessible by road during the dry months of April to December. Its rugged coastline points towards New Guinea while the eastern side of Cape York is fringed by the coral gardens of the Great Barrier Reef.

Despite the roads only being open 8 months of the year, we do the mail run 5 days per week, every week of the year by Air. The Cape is just magnificent at any time of the year! From Rainforest to Desert, from Reef to Outback, from magnificent beaches to Rural Australia... from monsoon to drought..... you will see it all!

All you have to do is to choose the day of the week that you can travel, or identify on the map, where in the Cape you want to go, and book it. It is that simple.

Cold drinks & a light catering pack are provided on the aircraft, and most days we can organise a morning tea stop with one of the Stations..... So, depending on the day you choose; you get:

- Cold Drinks & Catering (one for Morning, and if relevant, Lunch and one for the afternoon)
- Morning Tea & Or Afternoon Tea at one of the outback stations. (When Available)
- Full size & Detailed Queensland Map so you can plot your course for the day, and take it home with you.
- A chance of a lifetime to see Australia as you've never seen it before, and meet some simply wonderful people from Outback Australia!

What to bring:

- Yourself & Perhaps Some Sun Lotion
- Your Camera
- A Pen to draw on your map & to take contact details of the locals if you want to keep in touch.
