Question no: IOTS 01

Division/Agency: Office of the Inspector of Transport Security

Topic: Inspector of Transport Security contract

Hansard page: 61 (31/10/05)

Senator O'Brien asked:

Is there any reason that the contract you signed needs to remain private?

Mr Palmer—I have not stopped to think about it from my point of view, but I would not think so—unless Mr Mrdak has a view. It was just a standard Government contract, as I understand it.

Mr Mrdak—It is a standard contract of engagement. I am happy to review it and to take it on notice.

Answer:

No. The contract is a standard Public Service non-ongoing contract of engagement.
