1	Eric Abetz	Support to SMEs in Tourism Sector	<p>Ms Dave: Absolutely. One of the benefits of having those expanded powers is that we have been able to talk to a broader range of exporters, tourism operators being the main category. A good example of where we've supported them is a wonderful Townsville company, a tourism business called Adrenalin Snorkel and Dive...We were able to help them with a loan. I think it was \$575,000. Now they're able to expand and do all the things they're very excited about doing. That's a recent example of our ability to help somebody in the tourism sector. ...</p> <p>CHAIR: When did you provide this to this Townsville company? Ms Dave: Let me just check. It's in our annual report. I'll get my colleague to check. It's on our register, so it should be quite easy to find. Actually this doesn't have a date.</p>	Hansard	123
