1	NBN 60	Fisher	<p>Mr Stanton—I am aiming to clarify: ATUG was a member our board some years ago and it is not a member of our board now. I am not certain that it is still even a member, actually. Perhaps I may take that on notice.</p> <p>Senator FISHER—Certainly. I guess the point is that your organisation is open to membership from organisations of that nature.</p>	ATUG is today not a member of the Communications Alliance
