Dear Sir or Madam

My name is Gloria Lovely born on 22-10-1941
I was placed in St. Vincent's Orphanage 13th April 1943
It seems I got sick soon after this and was sent to
hospital 28-5-43 (Ipswich Hospital) then returned to
D.V.H. on 3-6-43, then 8 day later I'm sent to Mater
Hospital 11-6-43 then to Wattlebrae (a contagious ward I believe)
on 12-6-43 then returned to S.V.H. on 29-6-43, then back
to Hospital December 1944. Then in June 1945 went home
to mother & returned to P.V.H. again February 1947.
Then in December fostered out to Mr & Mrs Taylor
in December 1951, this family abused me so much that
I became a nervous wreck, I developed a stutter also
Mr Taylor sexually abused me for years (every week)
for about 6 years. I also received abuse in St. Vincent's
Orphanage which I will tell you at the inquiry.
I most definitely want a public hearing, so please
let me know when you require me to attend the
inquest. I will give you every bit of information
I can remember to the best of my ability.

Yours Sincerely
Gloria Lovely.

My full name and address is
