

My name is Beryle Crawford I was put into care on the 6/7/59 with my brother David Robert Crawford in Victoria which was the Melbourne Orphanage at Brighton Sands Vic, we were placed there because the conditions we were living in was not fit for a dog.and I had a Father also that was not fit to be a parent has he was charged with indecent assault on me I Was only two or three so we were taken away and placed in care has state wards.while I was in state care my Father would come and take us out for a visit unsupervised with only him and us two kids and on one off these visit my brother was asleep in the back of the car and my father used these conditions to sexually abuse me again while he was under a three year good behavior bond and the state home would of know this because it was covered in my Ward file has I have a copy of it know and it is all there to see.This makes me very angry that there would let a little girl go out with such a sick man.where was the duty of care there was none some systems and it still stays with me everyday has I was not able to let anybody know when I went back to the home after my visit with my Dad around I was the age of six and half and the smell today stays with me always, I am now 49years old I have trouble staying in relationships I have been married three times and my third marriage is on its way out to we now have seperate rooms has I can not stand my space being invaded know ones understands not any man that I have know where does this leave me for the future.I do not know how to give affection because I am still scared that some one is going to hurt me will this feeling ever go away it has taken my life away from me.Someone needs to be a countable for what they let me go through while I was in STATE CARE I have know joined Clan has they are such a wonderful help because they know what it is like to be like me.

PLEASE NOT LET US DOWN AGIN HAS IT IS SO IMPORTANT FOR ALL OF US TO RECOVER THIS TERRIBLE CRIME THAT WAS BESTOWED APON ALL OF US AND MYSELF HAS WHILE.*****
